Captains Day, 7th September Veralum Golf Club

The weather once again held out for us & we were treated to Veralum GC being presented in superb condition, especially the greens which proved to be quite challenging if you left your ball above the hole!!

The morning round scoring was quite close with only a matter of a couple of points separating the top half of the field.

The afternoon round seemed to prove more challenging as some of the scoring seemed to fall away. This cannot be said for Lee, after an impressive afternoon round of 40 points proved good enough to secure a win on his own Captain's Day.

Unfortunately a very small field of 8 players took part in this year's Captains Day, which forced the organiser to rethink the format & change it from the traditional 2-man team event into a singles competition.

Everybody who played seemed to have a good time & it was nice to see 2 new faces join the competition, Phil from Hemel & Trevor from St Albans. Hopefully this will spur them on to enter more society events
