

## Good Performance by the Intoto Team

This year's Intoto Cup took place on the 15th May at Rushmere Golf Club in Suffolk. The players representing Hertfordshire this year were: Les Blomfield, Dan Wooton, Mel Usher & Carl Blackett.

At the start of the day the weather prospects looked very gloomy with high winds & the potential for heavy rain all day. Fortunately the rain stayed away but the strong winds played their part on the performance of all the teams.

The morning round of the competition was a four ball better ball format & both of our pairs played very steady & finished with 36 points each. The afternoon format was singles with Mel Usher leading the way for Herts with a score of 36 points. Dan scored 31 while both Les & Carl returned scores of 29 points each. This scoring was good enough to see Herts take 3rd place just 3 points behind Essex. However, home advantage came into play & Suffolk won the event by a clear 26 points. Some success did come Hertfordshire's way with Carl winning the nearest the pin & Mel winning the best individual score in the afternoon.

Congratulations to all those who took part in the 2009 Intoto Cup and good luck to everyone competing in all the other HFRS events this year.
