

Summer Scramble, Batchwood GC

The first Inter Station Event took place at Batchwood GC on the 17th August. For a change, the weather was kind to us with the competition being played in superb sunny conditions.

Borehamwood came out as winner's of the competition for the 3rd time in the four year's that the event has been taking place. Unfortunately the turnout for the event was low with only five teams taking place.

We shall be reviewing the timing of the Scramble next year to hopefully encourage a bigger field.

The full result is as follows:

Position	Team	Score (Net)
1 st	Borehamwood	52.1
2 nd	Potters Bar Blues	55.3
3 rd	North Herts District	59
4 th	Stevenage	59.4
5 th	St Albans	61.9
